CONSOLIDATED ANNUAL PERFORMANCE AND EVALUATION REPORT (CAPER)
July 1, 2015 through June 30, 2016

The City of Passaic has prepared its Consolidated Annual Performance and Evaluation Report (CAPER). The CAPER concerns actions and accomplishments in Program Year 2015 with regards to the City's Consolidated Plan. The Consolidated Plan was adopted to enable the City to apply to the U.S. Department of Housing and Urban Development (HUD) for funds under the Community Development Block Grant (CDBG), Emergency Services Solution (ESG), and HOME Investment Partnerships (HOME) programs. The five-year plan includes an assessment of housing and homeless needs in the City, a housing market analysis, and a strategic plan to address housing and non-housing needs. Also, a one-year action plan must be completed each year of the Consolidated Plan to describe the activities to be undertaken with funds available under the programs.

The CAPER is intended to enable citizens to understand how local programs contributed during the year toward meeting the needs identified in the Consolidated Plan. It consists of three basic parts--1) a summary of resources and programmatic accomplishments, 2) the status of actions taken during the year to implement the City's overall strategy to address housing and non-housing needs, and 3) an evaluation of progress made during the past year in addressing identified priority needs and objectives.

A copy of the CAPER is available for public inspection starting **8-31-2016** through **9-15-2016** at City Hall, in the Department of Community Development, between the hours of **8:30 a.m.** to **3:00 p.m.** Comments on the CAPER or on the City's general community development performance can be forwarded to Cathleen Rivera at the Community Development Department, 330 Passaic Street, Passaic, NJ 07055 or by contacting her at (973) 365-5613 or at crivera@cityofpassaicnj.gov. You can also view the plan on the city's website at cityofpassaic.com. Please forward all written or verbal comments to the above address. A summary of any comments received within the next 15 days shall be attached to the CAPER and submitted to HUD on September 30, 2016.
