November 2016

Dear City of Passaic Residents:

The Passaic Police Department along with our City's Mayor would like to better serve you and are always looking to assist in enhancing our police officers' communication and response skills when interacting with the special needs community. Our goal is to safely and effectively handle every call to assist individuals who pose an elopement or wandering risk or have communication challenges.

We are encouraging parents and/or guardians who have family members with special needs to **voluntarily** complete an Autism/Special Needs/Alzheimer Emergency Information Form (examples of registrants include, but are not limited to, individuals with developmental disabilities, individuals with Alzheimer's disease or dementia and autism, etc.). *Participation in the registry is completely voluntary.* The Passaic Police Department encourages participants in the registry to be Passaic residents living with family members who meet the criteria described above, and non-residents attending school in Passaic who also meet the registry criteria.

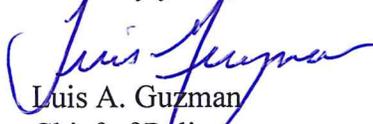

Please know that all information you provide will only be entered into our Police Department's database, is kept strictly confidential, and will not be shared with any other agency (unless in a police emergency). We would also recommend submitting **a passport sized photograph** of the registrant (with their name on the back) along with the form, to be able to better identify someone in the event they have wandered or went missing. Please note that any updated information must be provided on a new form and re-submitted to us, in order to better serve you.

Please download the form which is available on the City of Passaic website www.cityofpassaic.com. Fill out the Autism/Special Needs/ Alzheimer Emergency Information Form and deliver it to the Passaic Police Department Record Division during their business hours, Monday through Friday, 9:00 a.m. to 4:00 p.m., or it can be mailed to:

Passaic Police Department - Record Bureau
Attn: Emergency Information Form
330 Passaic Street
Passaic, New Jersey 07055

Thank you for working together with us to provide better service and assistance to the community.

Sincerely yours,

Luis A. Guzman
Chief of Police
