CITY OF PASSAIC BUSINESS DIRECTORY

PASSAIC ENTERPRISE ZONE DEVELOPMENT CORPORATION

Urban Enterprise Zone

PASSAIC

Welcome To Passaic

Mayor Hector C. Lora

A Clean, Safe & Welcoming Community for All

It is my pleasure to welcome you to the 2026 City of Passaic Business Directory.

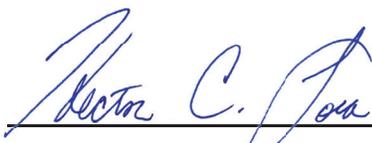

This is a comprehensive guide to the many businesses that drive our local economy. Passaic is home to a diverse and thriving business community, and through this directory, we aim to connect you with the incredible shops, restaurants, and services that make our city a great place to live, work, and do business.

As a designated Urban Enterprise Zone (UEZ) city, Passaic offers unique benefits to both businesses and consumers. Shopping at participating UEZ businesses means enjoying a 50% reduced sales tax, making it more affordable to support local establishments while keeping our economy strong. Whether you're searching for a trusted professional, a new dining experience, or specialty retail, your choice to shop in Passaic helps create jobs, encourage investment, and strengthen our entire community.

As Mayor, I remain committed to fostering an environment where businesses can flourish. I invite you to use this directory as a go-to resource and to take advantage of all that Passaic's business community has to offer. Every purchase made at a local UEZ business contributes to our city's growth and ensures continued success for entrepreneurs and residents alike.

Thank you for supporting Passaic businesses and for being part of our city's bright future.

Mayor Hector C. Lora
City of Passaic, NJ

The Many Benefits of UEZ Membership

If you're not already a member of the Passaic Urban Enterprise Zone Program (UEZ), you should know that members are entitled to tax incentives, exemptions and generous funding programs that stimulate the growth and prosperity of their businesses, as well as the entire community.

UEZ BUSINESS PROGRAMS & SERVICES

Reduced Sale Tax

Businesses participating in the UEZ Program can charge only 3.5% sales tax (instead of 7%) to customers.

100% Sale Tax Exemptions

UEZ businesses pay no sales tax on purchases of business equipment and supplies.

Eligibility for Business Loans

The UEZ Program offers a eligibility for low-interest loans up to \$50,000 for business expansion.

Façade & Signage Improvement Grant

UEZ businesses are eligible for a matching grant that covers 50% of project costs, up to \$7,500.

Roadway & Streetscape Improvements

UEZ benefits include roadway improvements that strengthen local business districts.

Litter & Graffiti Removal

UEZ provides regular cleaning to keep business corridors attractive and welcoming for customers and businesses.

Security Enhancements

The UEZ enhances business security through investments in upgraded surveillance systems and dedicated Quality of Life police patrols.

Strength in Numbers

A strong and vibrant UEZ is critical to the ongoing revitalization of Passaic. The more members we have, the greater the benefits for the entire community. This is because the revenue generated from the reduced sales tax is reinvested into the community to fund programs and services that promote economic development.

The Passaic UEZ has been the primary funding source for litter cleanup, graffiti eradication, police foot patrols for heightened security, road improvements within the commercial areas as well as streetscape enhancements and beautification.

Over 400 Passaic businesses have already taken advantage of UEZ membership. Now it's your turn to benefit!

Joining is quick and easy. At no cost, we'll even help with your application.

Don't delay—call our offices at (973) 365-5520 today.
