CONSENT FOR VACCINATION

EMERGENCY USE AUTHORIZATION: The FDA has made the COVID-19 vaccine available under an emergency use authorization (EUA). The EUA is used when circumstances exist to justify the emergency use of drugs and biological products during an emergency, such as the COVID-19 pandemic. I understand that this product has not been approved or licensed by FDA, but has been authorized for emergency use by FDA, under an EUA to prevent Coronavirus Disease 2019 (COVID-19) for use in individuals 18 years of age and older; and the emergency use of this product is only authorized for the duration of the declaration that circumstances exist justifying the authorization of emergency use of the medical product under Section 564(b)(1) of the FD&C Act unless the declaration is terminated or authorization revoked sooner. However, the FDA's decision to make the vaccine available under an EUA is based on the existence of a public health emergency and the totality of scientific evidence available, showing that known and potential benefits of the vaccine outweigh the known and potential risks.

I certify that I am: (a) the patient and at least 18 years of age; or (b) the legal guardian of the patient and confirm that the patient is at least 18 years of age; and (c) authorized to consent for vaccination for the patient named above. Further, I hereby give my consent to the City of Passaic Division of Health or its agents to administer the COVID-19 vaccine.

CONSENT FOR SERVICES: I have been provided with the Vaccine Information Sheet(s) or patient fact sheet corresponding to the vaccine(s) that I am receiving. I have read the information provided about the vaccine I am to receive. I have had the chance to ask questions that were answered to my satisfaction. I understand the benefits and risks of vaccination and I voluntarily assume full responsibility for any reactions that may result. I understand that I should remain in the vaccine administration area for 15 minutes after the vaccination to be monitored for any potential adverse reactions. If the recipient has previously had a severe allergic reaction in the past for any reason, I agree to wait near the clinic location for 30 minutes after receiving the vaccine in designated area. I understand if I experience side effects that I should do the following: contact doctor, call 911, or go to hospital. I request that the vaccine be given to me or to the person named above for whom I am authorized to make this request.

I acknowledge that I have received and viewed the Vaccine Information Statement or Emergency Use Authorization Information Sheet and Passaic Division of Health Notice of Privacy Practices. I will/have reviewed my answers to the questions above with the vaccinator. I understand that the COVID-19 vaccine is a two-part vaccine series. By signing this consent, I am agreeing that I will receive the first and second part of the vaccine series, and understand the second dose may be required to be effective.

I have been provided and have read, or had explained to me, the information sheet about the COVID-19 vaccination. I have been given an opportunity to ask questions which were answered to my satisfaction (and ensured the person named above for whom I am authorized to provide surrogate consent was also given a chance to ask questions). I understand the benefits and risks of the vaccine. I request that the COVID-19 vaccination be given to me (or the person named above for whom I am authorized to make this request and provide surrogate consent).

AUTHORIZATION TO REQUEST PAYMENT: I understand there will be no cost to me for this vaccine. I do hereby authorize City of Passaic Health Division and/or its agents to release information, submit a claim, and request payment. I understand that any monies or benefits for administering the vaccine will be assigned and transferred to the vaccinating provider. I certify that the information given by me in applying for payment under my insurance provider, Medicare or Medicaid, other third parties who are financially responsible for my care, or the HRSA COVID-19 Program for Uninsured Patients, are correct. I authorize release of all records to act on this request. I assign and request that payment of authorized benefits be made on my behalf to City of Passaic Division of Health or its agents with respect to the above requested items and services.

DISCLOSURE OF RECORDS: I understand that City of Passaic Division of Health may be required to or may voluntarily disclose my health information to the physician responsible for this protocol of specific health information of people vaccinated at City of Passaic Division of Health Vaccination Sites (if applicable), the City of Passaic Division of Health and its agents, my Primary Care Physician (if I have one), my insurance plan, health systems and hospitals, and/or state or federal registries, for purposes of treatment, payment or other health care operations (such as administration or quality assurance). I also understand that City of Passaic Division of Health will use and disclose my health information as set forth in the City of Passaic Health Division Notice of Privacy Practices (copy is available at the City of Passaic Health Division). Vaccine Clinics: If I am receiving a vaccine through a vaccine clinic, I understand that my name, vaccine appointment date and time will be provided to the clinic coordinator.

On behalf of myself, my heirs and personal representatives, I hereby release and hold harmless the State of New Jersey, the City of Passaic Division of Health, and their staff, agents, successors, divisions, affiliates, subsidiaries, officers, directors, contractors and employees from any and all liabilities or claims whether known or unknown arising out of, in connection with, or in any way related to the administration of the vaccine listed above/herein.
