CDBG Program

About the Program

The Federal Housing and Community Development Act of 1974, as amended, created a new Community Development funding program administered by the U.S Department of Housing and Urban Development (HUD). The City of Passaic (The City) is an Entitlement Community, and receives an annual formula allocation of Community Development Block Grant Funds (CDBG), for the creation and implementation of eligible activities that benefits very low, low and moderate income persons. The City, under the program requirements, must submit a yearly application to HUD for approval of the proposed activities to be undertaken during the program year.

The Objective

The Primary Objective of the CDBG program is to create suitable living environments and economic opportunities, for very low, low and moderate income persons.

Project & Activity Qualifications

To qualify for CDBG funding, proposed projects and activities must satisfy the following criteria:

- Principally benefit very low, low or moderate income persons (as defined by American Fact Finder.gov)
- Urgent Need (Natural Disaster, Floods, etc)
- Prevention and/or elimination of Slums and Blight

Activity Eligibility

Community Development Block Grant rules and regulations specify eligible activities as follows:

- Acquisition of property
- Clearance, Demolition, and Removal
- Public Facilities and Improvements
- Rehabilitation and Preservation
- Economic Development
- Economic opportunities for low and very low income persons
- Removal of architectural barriers
- Public Services

SECTION II — ACTIVITY ELIGIBILITY

CDBG NATIONAL OBJECTIVES

Please indicate (check box) which eligibility criteria apply to this proposal. Your proposal must meet one of these National Objectives.

1. Benefit to Low- to Moderate-Income Persons

- Direct Benefit for Low to Moderate Income Persons. This Activity will directly benefit low to moderate income persons as shown by actual beneficiary income documentation.
- Direct Benefit to Limited Clientele. This Activity will directly benefit a class of persons who, by federal regulation, are presumed to be low to moderate income persons (e.g. abused children, battered persons, severely disabled persons, homeless persons, or elderly persons).
- Area Wide Benefit. This Activity will benefit residents of a particular low to moderate income neighborhood or area (attach a City map showing the boundaries of the area that will be served by the Activity).

2. Prevent or Eliminate Slums or Blight

- If your Activity meets this objective, attach a map showing the City designated blighted area, and the location of the Activity within the blighted area.

3. Urgent Need

This category is reserved for City Activities that meet a serious and immediate threat to public health, safety or welfare. The condition must have occurred within the last 18 months. The City's chief executive officer and financial officer must certify that the City is unable to finance the Activity and that no other funding sources are available

SECTION IV - PERFORMANCE MEASUREMENTS

GOALS:

The proposed Activity meets which of the following goals (select **only** one):

- Create Suitable Living Environment:** Activities designed to benefit communities, families, or individuals by addressing issues in their living environment (such as poor quality infrastructure) or social issues such as crime prevention, literacy, or elderly health services.
- Provide Decent Affordable Housing:** Housing activities where the purpose of the Activity is to meet individual, family, or community needs and not activities where housing is an element of a larger effort, since such activities would be more appropriately reported under suitable living environment.
- Create Economic Opportunities:** Activities related to economic development, commercial development and job creation for low to moderate income households.

OBJECTIVES:

Select the most appropriate objective for the proposed Activity (select **only** one):

Availability/Accessibility: Activities that make services, infrastructure, public facilities, housing, or shelters available or accessible to low- and moderate-income people, including persons with disabilities. In this category, accessibility does not refer only to physical barriers, but also to making the affordable basics of daily living available and accessible to low- and moderate-income people where they live.

Affordability: Activities that provide affordability in a variety of ways in the lives of low- and moderate-income people. It can include the creation or maintenance of affordable housing, basic infrastructure hook-ups, or services such as transportation or daycare

Sustainability: Activities aimed at improving communities or neighborhoods, helping to make them livable or viable by providing benefit to persons of low- and moderate-income, by removing or eliminating slums or blighted areas through multiple activities, or services that sustain communities or neighborhoods

SECTION V – BUDGET

Summarize your project budget below. For real estate development and construction projects, attach a detailed sources and uses of funds identifying all sources (including CDBG funds) and uses of funds for the proposed project.
