

**NOTICE OF PUBLIC MEETING
CITY OF PASSAIC
COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) and HOUSING
INVESTMENT PARTNERSHIP (HOME) PROGRAMS**

5-YEAR CONSOLIDATED PLAN & 2024 ACTION PLAN

TO ALL INTERESTED AGENCIES, GROUPS, OR PERSONS:

The City is in the process of preparing our Five Year Consolidated Plan for Program Years (PY) 2024-2028. This Plan will include our 2024 Annual Action Plan. For Program Year 2024, the City of Passaic anticipates receiving an allocation of approximately \$2,200,000.00 in Community Development Block Grant (CDBG) and HOME Investment Partnership Grant (HOME) from the U.S. Department of Housing and Urban Development (HUD). To receive these funds the City must file an Annual Action Plan, which includes the resources and activities to address community development and housing needs.

Notice is hereby given that the City of Passaic, NJ, in accordance with the Citizen Participation Plan, will hold a public meeting on February 2, 2024, at 10:00 AM. The purpose of the meeting is to:

1. Receive input on the needs of the City that can be addressed via our CDBG & HOME funds
2. Share information on how to complete the FY 2024 CDBG & HOME applications

A public meeting has been scheduled to obtain views and proposals from citizens at the initial stage of preparing our **2024 Action Plan**, and to enable citizens the opportunity to comment on the City's community development programs and performance. Your ideas on projects to be funded by these grants are welcome. Examples of eligible activities are street repairs, social service programs, historic preservation, residential and commercial rehabilitation, demolition, code enforcement, sewers, property acquisition, homelessness prevention, and the creation of affordable housing. These activities must primarily benefit low-moderate income persons. Anyone interested in applying for funds should attend the meeting to address any questions and concerns about the program

THE MEETING WILL BE HELD VIA ZOOM
FRIDAY, FEBRUARY 2, 2024 FROM 10:00 AM- 12:00PM

Where:
